1           **THE WITNESS:** I don't recall.

2           **BY MR. ANDERSON:**

3           Q       I'm sorry. Again, I think I've forgotten my question.

4           **THE COURT:** Whether the console was open, I think,  
5 and then whether the drugs were in plain view.

6           **MR. ANDERSON:** Thank you, Your Honor.

7           **BY MR. ANDERSON:**

8           Q       Officer Carreon, was any further investigation conducted  
9 into those drugs? For example, was the bag in which the drugs  
10 were contained tested for any fingerprints?

11          A       It has not been tested.

12          Q       So at this time, there's no evidence, for example, that  
13 Mr. Trujillo's fingerprints are on that bag?

14          A       Not at the moment.

15          Q       Where did this traffic stop take place, to the best of  
16 your knowledge?

17          A       It took place near Barcelona Road Southwest and Cordero  
18 Road Southwest in the South Valley.

19          Q       At the time the traffic stop was initiated, is it fair to  
20 say that Mr. Trujillo's vehicle was on a public road, public  
21 property?

22          A       Yes.

23          Q       Was it also on public property when it came to a stop?

24          A       It was not.

25          Q       Do you know whose property it was located on at the time

1 it came to a stop?

2 A It came to a stop in front of an apartment complex. I  
3 don't know whose specific property it belonged to.

4 Q Now, you also testified a little bit about the firearms  
5 that were located in the trunk of the vehicle. And I wanted to  
6 ask you. You testified in response to the Government's  
7 questions that the firearms in this case were not manufactured  
8 in New Mexico; is that correct?

9 A That's correct.

10 Q What is the basis for your testimony on that?

11 A That the firearms -- there is no firearm manufacturer in  
12 the state of New Mexico.

13 Q Thank you for your time this morning, Officer Carreon.

14 MR. ANDERSON: I have no further questions, Your  
15 Honor.

16 THE COURT: Any redirect?

17 MR. CORDOVA: No, Your Honor.

18 THE COURT: All right.

19 THE WITNESS: Thank you.

20 THE COURT: You may step down.

21 (Witness steps down)
